

## HELP WANTED

Little effort, great rewards!  
(Y)our children need your help.

**First**, we need a teacher for the K-5th grade 9:45 am Sunday School class. This is a great bunch of children, the curriculum is very easy to teach from, and the experience will be very rewarding. Liza and John Marshall and Sherry Krokowski have taught for the first 2 trimesters and are happy to make sure you have all the details. The class runs from March through May and Sherry, John and Liza are happy to fill in if needed. Apply now, only prerequisite is a smile and a warm heart, the kids do the rest.

**Second**, we need a new leader for the youth group starting in the fall. Virginia, Tim, and Margaret are all likely moving on after May. Perfect job for our younger members. The group meets most Sunday nights from 5-7 during the school year months, the parents prepare dinner for the group, and very little preparation is required by the leaders. The youth are one of our most active groups in our entire congregation and are a joy to lead.

**Third**, we need teachers for Sunday School for Easter Sunday. Jackie Raseman, our beloved teacher and caregiver of the younger children, cannot be here for Easter. We have 2 services to cover but an Easter egg hunt is part of the fun! If you going to be here, please sign up for this needed help.
